Share Who Said That

[01:00:00;00]

TEACHER:

Kind of at the beginning of the year, in September when we are just learning about each other and we are sharing ...

[01:00:06;18] I noticed that this class really likes to talk, they really like to share

TEACHER IN CLASS:

Now turn and talk to a partner

TEACHER

So I just added the piece in, can you share who said that idea so we can give them credit for it or so we can tell them great job.

[01:00:28;06]

STUDENT

What I said to my partner Tianna is that ...

TEACHER

and students are now using their partners names when they share

[01:00:34;28]

STUDENT

I said like ... no ... Omar said ...

[01:00:41;24] TEACHER

So it just became a habit in our classroom

STUDENT

I agree with Savanna because Hofsa said that ...

TEACHER

I know they love doing it because I taught them how to just give one student credit, just say one student's name. But if they talk to for example a group of three students ...they give credit to all three students

[01:01:02;03]

STUDENT

Me and Phoebe and Elissia and Derek said that...

TEACHER

So I feel like it gives their little group ownership of what they talked about in their conversation.

TEACHER IN CLASS:

Now talk to someone first ...
